

Dear SEMYO Percussionists,

It is the expectation that SEMYO Percussionist provide their own sticks and mallets for SEMYO rehearsal and performances. All other instruments will be provided. Please bring your sticks and mallets to all of the rehearsals and concerts.

Below is a list of the sticks and mallets that have been suggested by Scott Ollhoff, SEMYO Percussion Director. You may or may not need all of these mallets and sticks at this time, but it is a good basic set that should be something that you could use for several years.

Lone Star Percussion www.lonestarpercussion.com
