

SEMYO Concert Attire

SEMYO feels that it is important to the students to have a high standard of dress when performing concerts. The students' dress is in accordance with the musical excellence of the performance. The students are requested to follow the guidelines listed below whenever required to wear Concert Attire. The students in each ensemble will be dressed in a similar style, but will not be asked to wear a uniform. Students will be able to individualize their dress, however please take these guidelines into consideration when making selections for Concert Attire. If a student does not follow the guidelines, he or she may be asked to change prior to a performance. The Ensembles are representing SEMYO, and we want the appearance of the student groups to be a reflection of the professionalism of the organization. Please contact the Artistic Program Director (nrohde@semyo.org) if you have any questions.
