Need-based scholarships are available to assist with the costs incurred by participating in SEMYO. Application is available online at <https://www.semyo.org/experience/scholarships/>. There are also a limited number of instrument incentive scholarships for bass, viola, low brass, and bassoon.

Tuition can be paid by mailing a check to: SEMYO, 1001 14th St. NW, Suite 450, Rochester, MN 55901.

Tuition may also be paid online at <https://www.semyo.org/experience/members-page/payments/>. Please note that there is a small convenience fee added for online payments.

By design tuition represents half of the actual cost to participate; the remainder is subsidized by public and private grants along with tax-deductible contributions. **Therefore we ask that each family also consider making a donation to SEMYO or attending the annual *It's Instrumental* event scheduled for Friday, October 23.** This allows families to pay what they are able to afford for the program while keeping tuition affordable for the broader community.

To submit a donation online visit <https://www.semyo.org/support/>

SEMYO is currently planning for its regularly scheduled season, however, due to the COVID-19 pandemic, changes to the format and schedule are a strong possibility. SEMYO is committed to the well-being and safety of our students, family members, and staff. We will continue to follow state and local guidelines and implement a safety plan when organizing all in-person activities. In the event that we cannot hold traditional full orchestra rehearsals, our SEMYO staff are developing several back-up plans that may include small group instruction, additional chamber group opportunities, and virtual programming. Our goal is to continue to educate our students and provide opportunities for musical discovery. The price of tuition will be adjusted as needed to reflect the value and cost.

Rehearsals

The SEMYO Concert Orchestra rehearses Saturdays from 9 a.m. to Noon at Century High School (2525 Viola Rd NE) throughout the school year. Rehearsals may include both full orchestra and sectionals. There are no rehearsals during school breaks and holidays. **Concert Orchestra students are expected to be in their seats and tuning their instruments five minutes before the start of rehearsal.** Students should bring all music, a pencil, and instrument to rehearsal.

SEMYO Retreat

Due to the COVID-19 pandemic SEMYO is not planning for an annual fall retreat, however we plan to offer several enrichment and non-rehearsal activities throughout the year.

The Concert orchestra will perform three main concerts per year at the end of each trimester and one Concert Orchestra feature concert. **Participation in these concerts is mandatory.** There will also be at least two informal concerts including a holiday performance at the Apache Mall and a side-by-side concert with the Rochester Symphony. - Be attentive during rehearsals.
- Follow instructions from SEMYO conductors and staff.
- Treat rehearsal rooms and equipment with care.
- Do not handle or play instruments other than your own without permission.

Attendance

The SEMYO attendance policy is in place to achieve a high level of performance for the entire season and to encourage responsibility for scheduling and time commitments. [We understand that at certain times of the year additional conflicts may arise and we will do our best to work with you and be accommodating, with enough advanced notice.](#) Please contact us prior to the start of each trimester if you have concerns.

Students are allowed up to two excused absences per trimester. An unexcused absence will count as two excused absences. [Absences should be reported no later than one week prior to rehearsal.](#)

Report all absences online at: <https://www.semyo.org/experience/members-page/absence-notification/>.

- **Excused absences** include 1) absences reported to SEMYO at least week one prior to the missed rehearsal or 2) illness, medical emergency, family emergency, inclement weather, or other unavoidable conflicts.
- **An unexcused absence** is a failure to report to rehearsal without at least one-week prior notification.
- Required participation in Honors Choirs and Bella Voce dress rehearsals that directly conflict with SEMYO rehearsals will not count as an absence but only if SEMYO staff are notified at least one week in advance.
- More leniency may be given if absences are for musical commitments such as honor band/orchestra and school ensemble trips but only if advanced notification is provided.
- Attendance at only part of a rehearsal (arriving late or leaving early) will count as half of an absence.
- Work commitments are not an acceptable reason to leave early or miss rehearsal and students should arrange time-off in advance.

Students who exceed the number of allowed absences will be asked to perform a short audition for her or his conductor and excessive absences may result in being dismissed from participation in the SEMYO concert. The final decision will be at the discretion of the conductor.

[Participation in the dress rehearsal and concerts are mandatory and include the following dates:](#)

Dress rehearsal: Saturday, November 14 | Concert: Sunday, November 15 @ 2:30 PM

Dress rehearsal: Saturday, February 27 | Concert: Sunday, February 28 @ 2:30 PM

[Permission to miss the dress rehearsal or concert may be granted in special cases if requested in writing no less than four weeks ahead of time.](#) Repeated failure to participate in SEMYO concerts and special events may result in dismissal from the program.

Tardiness

Concert Orchestra students are expected to be in their seats and tuning their instruments five minutes before the start of rehearsal. Students who are late 2 or more times without prior notification will be asked to meet with her or his conductor and additional tardiness may result in being dismissed for the remainder of the SEMYO trimester.

[SEMYO reserves the right to dismiss any students without refund who are not meeting expectations for behavior or attendance.](#)
